Change of accounting reference date

The Company announces that that it will be changing its accounting reference date and financial year end from 31 December to 31 March.

The accounting reference date change to 31 March has been made to align the Company's accounting reference date with the month in which the disposal of its operating businesses and its change in status to a Cash Shell pursuant to AIM Rule 15 took place. Both of these events occurred on 3 March 2021.

As a result, the Company's next three financial reporting events will be as follows:

- Publication of audited accounts for the 15 months to 31 March 2020, not later than 30 June 2021
- Publication of unaudited interim accounts for the 6 months to 30 September 2021, not later than 31 December 2021
- Publication of audited accounts for the 12 months to 31 March 2022, not later than 30 September 2022
